2018 Junior Summer Golf Program

Maxwell Golf Course

Preparing Tomorrow's Champions Today

Guy Bailey, General Manager

Maxwell Golf Course is pleased to present our Junior Golf Program for boys and girls ages 6-18. Our curriculum provides the history, etiquette, rules, skills and competition necessary for learning the game of golf. We are dedicated to making golf fun for young players. Our program utilizes appropriate rules and a course setup that makes the game enjoyable and competitive for all ages.

The game of golf is known as a “gentleman's game” which teaches kids honesty, integrity, self-confidence, and teamwork. It is the only game where you can call penalties on yourself. This sense of honesty will hopefully follow these kids in all walks of life as they grow into young adults.

A qualified staff of high school coaches will work with your child each week with the desire to teach your child the love of a lifetime sport.
